## Suspicion of irregularities in relation to payments in Action Aid Zambia

---

The Ministry of Foreign Affairs of Denmark (MFA) provides support to ActionAid Zambia (AAZ) under its Strategic Partnership Agreement, with the aim of enabling young people, particularly young women and those facing marginalisation or living in fragile contexts, to realise their rights to climate-resilient livelihoods and protection. A total of DKK 2,53 million has been allocated to AAZ for 2026.

AAZ identified irregularities involving duplicate payments conducted through the National Financial Switch payment system.

ActionAid International (AAI) has launched an investigation into the matter. In the meantime, AAZ has strengthened the relevant financial processes to prevent similar incidents from occurring.

A new report will be forwarded following the conclusion of the investigation.
