

List of fragile contexts

Strategic Partnerships 2022-2025 between the Ministry of Foreign Affairs (MFA) and Danish civil society organizations include a focus on fragile contexts in most engagements. Fragile contexts cover all humanitarian engagements as well as engagements in *countries* and *host communities* as listed below. The list may be expanded during the partnership period.

Fragile contexts - Countries

The list is based on the World Bank's annual *List of Fragile and Conflict-affected Situations* (FCS List) from 2022: [FCSList-FY22.pdf \(worldbank.org\)](#) and expanded to include Ukraine based on the latest FCS List from 2023: [FCSList-FY23.pdf \(worldbank.org\)](#). All engagements in countries on the list fall under the category *fragile contexts*, no matter type or focus of the engagement.
