

THE MINISTER FOR  
FOREIGN AFFAIRS

File No. NFG.105.L.2

Copenhagen, 27 September 2004

I have the honour to announce that the Government of Denmark wishes to withdraw from the International Agreement of 6 August 1992 concerning the Establishment and Operation of the Civil LORAN C Navigation System in North West Europe and the North Atlantic.

The Agreement entered into force on 2 April 1994. Its article 18 (1), states that "After the expiry of ten years from the date of entry into force of this Agreement, any Party may denounce the Agreement within the first six months of the eleventh year. Such denunciation, which shall be made by notice in writing to the Depositary, shall take effect at the end of the financial year following the financial year in which the said notice has been received by the Depositary, or at such later date as may be specified in the notice".

Accordingly, the Government of Denmark's denunciation will be effective as of 1 January 2006.
