MEMORANDUM OF UNDERSTANDING

BETWEEN

THE MINISTRY OF FOREIGN AFFAIRS AND THE MINISTRY OF IMMIGRATION AND INTEGRATION OF THE KINGDOM OF DENMARK

&

THE MINISTRY OF FOREIGN AFFAIRS AND INTERNATIONAL COOPERATION OF THE REPUBLIC OF RWANDA

REGARDING

COOPERATION ON ASYLUM AND MIGRATION ISSUES
The Ministry of Foreign Affairs and the Ministry of Immigration and Integration of the Kingdom of Denmark (hereafter Denmark) and the Ministry of Foreign Affairs and International Cooperation of the Republic of Rwanda (hereafter Rwanda) together the Parties and in singular the Party;

Considering that for many years, Rwanda has willingly been hosting and giving shelter to hundreds of thousands of refugees, primarily from neighboring Democratic Republic of Congo and the Republic of Burundi. Moreover, Rwanda has made significant commitments to the protection and assistance of refugees including by signing the the MoU with the African Union (AU) and UNHCR establishing the Emergency Transit Mechanism (ETM) aims at providing life-saving protection, assistance and long-term solutions to extremely vulnerable refugees trapped in detention in Libya, through temporary evacuation to Rwanda;

In the framework of the follow-up to the Global Compact on Refugees, Rwanda has made important legal, material, financial and resettlement pledges at the Global Refugee Forum in December 2019, with a view to, among others, access to job opportunities, education and sustainable livelihood to refugees, displaced persons and host communities;

Rwanda is a party to the 1951 Convention relating to the Status of Refugees and its 1967 Protocol. Rwanda is party to the 1969 OAU Convention Governing the Specific Aspects of Refugee Problems in Africa and ratified the 2009 African Union Convention for the Protection and Assistance of Internally Displaced Persons in Africa (the Kampala Convention) in 2012. Rwanda is also party to the 1954 Convention relating to the Status of Stateless Persons (the 1954 Convention) and to the 1961 Convention on the Reduction of Statelessness (the 1961 Convention). Rwanda is also a party to the Chicago Convention of 7th December 1994 on International Civil Aviation, the Cotonou Agreement of 26th June 2000 concerning the return and readmission of Countries’ national who are illegally present on the territory of the other; or found inadmissible upon entering such territory, the international covenant of 16th December on civil and political rights, the international covenant on 16th December on economic, social, and cultural rights, the convention of 10th December 1984 against torture and other cruel, inhuman and treatment or punishment;

Denmark is a party to the 1951 Convention relating to the Status of Refugees and its 1967 Protocol. Denmark was also one of the first 15 members of the UNHCR Advisory Committee established in 1951. Denmark ratified the European Convention on Human Rights (ECHR) in 1953 and it was incorporated in Danish law on 29 April 1992. As a result, the courts of Denmark have a duty to enforce the ECHR. Due to the Danish reservation in the European Union in the area of Justice and Home Affairs, Denmark is not bound by European Union legislation regarding asylum and immigration. However, through parallel agreements Denmark is party to the European Union Dublin and Eurodac Regulations;
Denmark is committed to finding new and sustainable solutions to the present migration and refugee challenges that affect countries of origin, transit and destination. The current asylum system is unfair and unethical by incentivizing children, women and men to embark on dangerous journeys along the migratory routes, while human traffickers earn fortunes. There is a need to finding new ways of addressing the migration challenges by promoting a fairer and more humane asylum system based on a comprehensive approach. This includes addressing the root causes of irregular migration, providing more and better protection of refugees in the regions of conflict and increasing assistance to host nations, countries of origin and transit – along the migratory routes – in order to improve border management, strengthen asylum systems and fight human smuggling. It is also the vision of the Danish Government that the processing of asylum applications should take place outside of the EU in order to break the negative incentive structure of the present asylum system.

At the Global Refugee Forum Denmark made important pledges towards durable solutions including, among others, an ex-post matching pledge to support Rwanda’s Global Refugee Forum (GRF) for jobs and livelihood in the agricultural sector. Denmark also pledged to the strengthening of national asylum systems in transit and host countries and to resuming the resettlement program with refugees from Rwanda. Through the UNHCR Denmark has provided financial support to the Rwanda Emergency Transit Mechanism as well to job creation in the agricultural sector.
