

**CIRCULAR NOTE**

**UPDATE**

**Coronavirus Disease COVID-19**

The Ministry of Foreign Affairs of Denmark, Protocol Department, presents its compliments to all Heads of Diplomatic Missions accredited to Denmark, to International Organizations and Other Missions resident in Copenhagen as well as Honorary Consulates in Denmark and has the honour to share the following:

The travel advice and restrictions specified in the Circular Note from 8 January 2021 will be extended until and including 7 February 2021.

With regard to the imposed flight ban, two clarifications have been made:

Firstly, passengers who can present a positive COVID-19 test between 2 to 8 weeks old are exempt from presenting a negative test prior to departure for Denmark.

Secondly, a clarification has been made regarding continuous travel, where passengers are in transit at one or more airports on their way to Denmark. The clarification specifies that passengers can be tested up to 24 hours before boarding the aircraft at the first airport and that testing is also possible throughout the journey.

The Ministry of Foreign Affairs of Denmark, Protocol Department, takes this opportunity to renew to all Heads of Diplomatic Missions accredited to Denmark, to International Organizations and Other Missions resident in Copenhagen as well as Honorary Consulates in Denmark the assurances of its highest consideration.

Copenhagen, 13 January 2021

To Heads of Diplomatic Missions accredited to Denmark,  
International Organisations and Other Missions resident in Copenhagen  
and Honorary Consulates in Denmark
