EGYPT				
Media Cooperation Programme (MCP) – Denmark, the Arab World and Iran. Programme Framework 3 rd Phase. 2009-11.	Regional group twinning between journalists with the <i>overall objective</i> to “get journalistic investigative products with new and high quality content based on joint tools for investigative reporters (the ARIJ Manual), and to raise the level of knowledge and understanding of societies in the Middle East and Denmark”. ²	ARIJ as organizing partner. Participating partners: ³ The dailies Al Ghad of Jordan and Al-Masry Al-Youm of Egypt; ON TV of Egypt; and Mustaqbal TV (Future TV) and New TV (Al Jadeed).	Danish School of Media and Journalism (Update) as organizing partner. Participating partners: the dailies Information and Politiken; and the Danish National Broadcast Cooperation (DR).	Draft narrative report.
Media in Transition. A programme proposal for Egypt, Tunisia, and the MENA region. Programme Document. March 2011.	Institutional twinning between two radio stations with the objective of 1) “creating professional links between the Danish and Egyptian radio stations in order to exchange work experience and knowledge among the staff”; and 2) “providing the Danish radio listeners with new perspectives on Egypt through the broadcasting of P3 live from Cairo, including focus on the current Egyptian election on November 28-29, 2011”. ⁴	Horytna	Danish National Broadcast Cooperation (DR) – P3.	MoU between IMS and DR P3. Narrative report by DR P3.
Media Cooperation Programme (MCP) – Denmark, the Arab World and Iran. Programme Framework 3 rd Phase. 2009-11.	Institutional twinning between two Web radio stations with the <i>objective</i> of 1) “producing and interacting with Egyptian Web radio journalists”; 2) “introducing Egyptian Web radio journalists to the use of the editing system Hindenburg”; and 3) “investigating new areas and possibilities for Web-based radio cooperation with Horytna”. ⁵	Horytna	Den2Radio ⁶	MoUs between IMS, Horytna, and Den2Radio. Narrative report by Den2Radio.

¹ The identified twinings for evaluation are based on the country background notes for Egypt, Jordan and Lebanon developed by IMS to guide the evaluation. The following twinings were not evaluated due to lack of access to interviewees: 1) twinning between Royal Film Commission of Jordan and Animationshuset with the objective of conducting an animation workshop for children; 2) institutional twinning between the dailies An-Nahar and Politiken with the objective of developing articles to be published in both papers; and 3) twinning between ON TV of Egypt and Danish National Broadcast Cooperation (DR) with the objective of providing the political editor of ON TV the opportunity to look into the Danish election process.
