Reference is made to the previous report dated 19 February 2026 regarding suspicion of irregularities on a grant to ADRA Denmark implemented by ADRA Uganda. DKK 38 million has been granted to ADRA Denmark for 2025, of which DKK 10,163,551 has been disbursed to ADRA Uganda.

An initial investigation was carried out showing ineligible expenditure related to tractor hire amounting to DKK 23,000. Following the initial investigation, the scope was expanded to include an internal audit and an additional project. This further investigation identified ineligible costs amounting to DKK 37,000 related to procurement expenses and DKK 31,000 related to workshop expenses. In total, the investigations thus concluded that there had been ineligible expenses of DKK 91,000.

In addition to the Country Director and the Internal Auditor, the investigation team has been expanded by the engagement of a certified Fraud Examiner and an additional Internal Auditor. As a result of the investigations, one person has been reported to the police and other staff are currently being investigated. ADRA Denmark is pursuing recovery of the misused funds.

A new report will be forwarded when there are further developments in the case.
