

EU / EEA / SWISS FAMILY MEMBER

I acknowledge that:

- My visa is processed by the Danish Embassy in London
- **This checklist applies when I lodge an application under the EU-rules**, namely, Directive 2004/38/EC of 29 April 2004 on the right of citizens of the Union and their family members to move and reside freely within the territory of the Member States.
- **EU law no longer applies in the UK or to British citizens**. Therefore, family members of British citizens are no longer eligible to apply for a visa under the EU-rules on free movement.
- If I submit an application under the EU regulation, but is **not eligible for it**, I will be contacted by the Embassy. Depending on the circumstances, I will either be given the **opportunity to withdraw the application** and can apply again under the normal rules **or my application will be submitted to the Danish Immigration Service (DIS)** for their decision. If the Danish Immigration Service then assesses that I am not eligible to apply under the EU regulation, my application will be refused based on the failure to demonstrate that I am covered by the Directive 2004/38/EC.
- I can check newtodenmark.dk for guidance on the EU-rules and which family members are covered.
- If any documents are marked with **NO** below, my application may be considered incomplete, and I must submit the missing documents through VFS within five (5) calendar days.
- I understand that **the Embassy recommends not buying any tickets before I know if my visa has been approved**.
- I am solely responsible for ensuring that all documents and information submitted are genuine, authentic, and accurate, regardless of whether they were obtained or submitted through a third party.

I confirm that I have read, understood, and accepted the above conditions.
