Reference is made to the previous report dated 30 September 2025 regarding undocumented expenses and lack of proper procurement procedures by the sub-partner, Zanzibar Employer Organization (ZANEMA), in Tanzania. The Ministry of Foreign Affairs of Denmark (MFA) supports Danish Industry (DI) as part of the Strategic Partnership Agreement with the Danish Labour Market Consortium. DI has collaborated with ZANEMA since 2020. DKK 435,803 has been disbursed to ZANEMA as part of this collaboration.

An investigation was conducted showing no misuse of project funds, but identified a lack of adherence to established administrative procedures. The internal accusations in the Board of ZANEMA were also investigated and found unjustified.

Based on the investigations, there is no loss of MFA funds. Nevertheless, DI has decided to terminate the partnership with ZANEMA, effective at the project's closure at the end of 2026, due to the administrative issues taking too much time out of project activities.

The Ministry of Foreign Affairs thus regards the case as closed without loss of Danish funds.
