Reference is made to the latest report dated 18 September 2025. The Ministry of Foreign Affairs of Denmark provides support for a project under Civil Society in Development (CISU)'s pooled fund. The project is implemented by BirdLife Denmark (DOF) in cooperation with a local sub partner, NatureUganda (NU), with the aim of integrating livelihoods and conservation in Uganda, Kenya and Nepal. DKK 18 million has been granted for the period 2022-2025, of which DKK 2,855,162 has been disbursed to NU.

The suspicion of irregularities arose in February 2024, when NU could not get in touch with an employee. Investigations initiated by NU showed that DKK 18,000 had been transferred to the bank account of the employee.

NU continues to liaise with the police, in order to find the suspect and bring the case to court.

A new report will be forwarded when there are further developments in the case.
