Reference is made to the previous report dated 12 March 2025 regarding mismanagement of consultancy contracts on a grant under Civil Society in Development (CISU)'s pooled fund. The project is managed by Forests of the World (FoW) and implemented by the sub-partner, Fundación Parque Nacional Pico Bonito (FUPNAPIB). DKK 2,999,716 has been granted for the period 2021-2023, of which DKK 1,306,883 has been disbursed to FUPNAPIB.

An external audit has been conducted which confirmed that expenses related to consultancy contracts amounting to DKK 84,194 could not be documented.

FUPNAPIB has reimbursed all non-eligible funds. FoW has decided to terminate the partnership with FUPNAPIB due to low degree of openness regarding organizational procedures and willingness to cooperate.

The Ministry of Foreign Affairs thus regards the case as closed without loss of Danish funds.
