Suspicion of irregularities in relation to implementing partner under the Regional Development Protection Programme Phase III in Jordan

The Ministry of Foreign Affairs of Denmark (MFA) administers a multi-donor European delegated partnership, The Regional Development Protection Programme Phase III (RDPP III), with the aim of supporting vulnerable refugees and local communities in Lebanon and Jordan to access rights, enjoy increased safety, and enhanced self-reliance towards durable and sustainable solutions. The RDPP III supports an implementing partner with the total of DKK 9 million allocated for the period May 2024 to 2026, of which DKK 1 million has been disbursed.

The Programme Management Unit (PMU) of RDPP III has received anonymous reports concerning the implementing partner regarding suspicions of fraud in relation to staff contracts, salary payments, and payments of suppliers. The amount under initial suspicion is approx. DKK 171,000.

The Programme Management Unit has received an audit for 2024 and follow-up steps are currently under discussion.

A new report will be forwarded when there are further developments in the case.
