Suspicion of irregularities in relation to SOS Children's Villages activities in Somaliland

Reference is made to the previous report dated 1 July 2026 regarding suspicions of irregularities in relation to a grant to SOS Somaliland, implemented by Somaliland National Youth Organization (SONYO) as the local partner. DKK 535,137 was granted for 2025, of which DKK 535,137 was disbursed to SONYO.

An external, independent 100% audit was carried out, concluding that there were ineligible expenses amounting to DKK 29,976 in relation to youth training sessions conducted by SONYO. The audit attributed these findings to mismanagement and administrative shortcomings, with no indication of fraudulent activity.

The ineligible costs have been removed from the financial statements of SOS Somaliland, and SONYO has been requested to return the ineligible expenses.

The Ministry of Foreign Affairs thus regards the case as closed without loss of Danish funds.
