Reference is made to the previous report dated 13 January 2026 regarding suspicions of irregularities on a grant to International Media Support (IMS) implemented by the local media organisation, Nord-Media, in Moldova. DKK 129,941.45 has been granted and disbursed for the period 1 April 2025 - 31 May 2025.

An additional in-depth audit of Nord-Media conducted by local auditors and reviewed by IMS found strong compliance in most areas, with the exception of some weaknesses in payroll process controls related to segregation of duties, but determined that there is no evidence to support any of the allegations outlined in the previous report dated 13 January 2026.

The Ministry of Foreign Affairs thus regards the case as closed without loss of Danish funds.
