Reference is made to report dated 31 October 2025. The Ministry of Foreign Affairs of Denmark supports the Danish Institute for Human Rights (DIHR). DIHR has cooperated with Citizen Participation Forum (CIPAF) with the aim of increasing access to justice through implementation of alternative justice systems in Kenya. DKK 193 million has been granted to DIHR for the period of 2021 to 2025, of which DKK 659,692 has been disbursed to CIPAF in the period of June 2022 to December 2025.

A financial monitoring visit by DIHR and a subsequent audit showed irregularities including lack of proper accounting, lack of documentation and possible falsification of invoices. The suspected amount is DKK 275,259.

DIHR is assessing the legal options available in relation to the potential recovery of funds and the possible pursuit of legal action against the responsible management. As part of this assessment, DIHR has been in dialogue with the appointed auditor.

A new report will be forwarded when there are further developments in the case.
