Reference is made to the previous report dated 8 July 2025 regarding suspicions of irregularities involving a grant provided by the Danish Institute for Parties and Democracy (DIPD). DIPD has supported a project in Eswatini, whereby the Danish Social Democratic Party (SDP) supports a local party, Swadepa in Eswatini, for the period 2021-2025. The total funding for the project is DKK 600,000 of which DKK 544,025 was disbursed to Swadepa.

A forensic audit concluded lack of proper documentation and suspected fraud. Following the forensic audit, the total amount under suspicion is approximately DKK 238,000.

After the last report, summons have been delivered to the two main responsible and the civic case is now waiting to start in court.

A follow-up report will be forwarded when there are further developments in the case.
